

The Smart Song

Song for Two Voices*

Tune: Did You Ever See a Lassie?

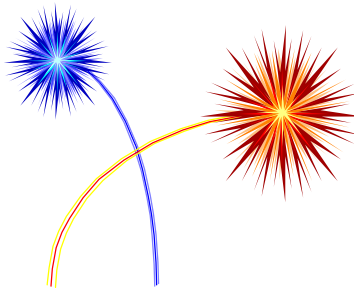

A There are eight kinds of smartness,
B Of smartness, of smartness,
AB There are eight kinds of smartness,
AB And we use each one.

A There s body smart and music smart,
B And people smart and self smart,

AB There are eight kinds of smartness,
AB And we use each one.

B There s number smart and picture smart,
A And word smart and nature smart,

B There are eight kinds of smartness,
A Of smartness, of smartness,
AB There are eight kinds of smartness,
AB And we use each one.

* Divide the class into A and B partners. A s sing the lines marked A, B s sing the lines marked B, and they both sing the AB lines.
